Has not seen [ ] for more than a month.  
He is still unemployed.

Enclosed picture was sent from overseas to his friend who not only admired the tattered paper but was affected by the propaganda on the back. The paper impressed them as being authentic Circassian manufacture.

He borrowed it in order to show it to me and to point out the method of propaganda being used. Wants 3 enlargements to cover reason for borrowing it.

We must get him employment!

He is willing to go on any type of mission for us at any time, providing the objective is worth the risk in his opinion.
